EPA PROPOSES CLEANUP PLAN

Thursday, May 10

Public Meeting

City Council Chambers

27600 Jefferson Avenue

6:30 p.m.

APPEARANCES:

Heriberto León - Community Involvement Coordinator

Colleen Moynihan - Remedial Project Manager

Before Melinda R. Womack, CSR3611

1 St. Clair Shores, Michigan

2 Thursday, May 10, 2018

3 About 6:30 p.m.

4 MR. LEÓN: I'll ask the stenographer to begin  
5 recording tonight's meeting.

6 So now begins the comments section of the  
7 meeting to allow you to make your comments regarding  
8 EPA's Proposal to clean up PCB contaminated soil at the  
9 residential and commercial properties in Investigation  
10 Areas 1 and 2, and as Colleen mentioned in her  
11 presentation, the two portions of the Ten-Mile Drain  
12 Site.

13 I will moderate by recognizing you one at a  
14 time for you to provide your comments. When I do so,  
15 state your name and spell it so that it is accurately  
16 recorded by the stenographer, along with any  
17 affiliations that you might want to share of  
18 organizations that you're with. Our recorder will  
19 produce a transcript of these comments, and Ms.  
20 Moynihan will use that transcript in her Responsiveness  
21 Summary to address significant comments and any  
22 significant information that we receive, not only from  
23 tonight's meeting, but also from any other comments  
24 that we receive in writing.

1           And again, we have the fact sheets available.  
2   The comment period has been extended to June 22nd, so  
3   please spread the word. Unfortunately, we printed the  
4   fact sheets, many, many copies as May 23rd as the  
5   cutoff, but just yesterday that decision was made by  
6   management to extend it 30 more days.

7           So Ms. Moynihan and I will stand here, or sit  
8   here in the front to listen to your comments and we'll  
9   simply listen. Who would like to go first? Just raise  
10   your hand, and I'll recognize you. Really, anything  
11   that you liked about the proposal, anything that you're  
12   indifferent about the proposal, anything that you have  
13   concerns about the proposal, that's really any comments  
14   one way or the other.

15           MR. [REDACTED]: In that case, my name is [REDACTED]  
16   [REDACTED]. Did you want my address?

17           MR. LEÓN: No. Just probably your name.

18           MR. [REDACTED]: [REDACTED], [REDACTED],  
19   [REDACTED]. Just looking forward to it being over.  
20   I've been dealing with it since 2002 and I appreciate  
21   the work you guys are doing. I appreciate the fact  
22   that I'm not the one that's being exposed to this  
23   stuff, the people working on it are, but I really look  
24   forward to it being done.

1 MR. LEÓN: All right. Thank you. Anybody  
2 else? Okay.

3 Well, if we have no further comments, I would  
4 like to, again, thank the City of St. Clair Shores for  
5 allowing us to use the Council Chambers for tonight's  
6 meeting, and we'll appreciate the fact that all of our  
7 partners showed up here tonight as well. We will stick  
8 around for a few more minutes if you want to talk to us  
9 one on one and want to have any questions addressed.  
10 So thank you again, and good night.
